

# NORMANDY AND BRITTANY GUIDED TOUR

Dates : 05 JULY - 16 JULY 2014

12 DAYS / 11 NIGHTS (8 DAYS RIDING - 2 REST DAYS)

Mileage : 1633 km / 1015 miles

**Tour Highlights** : Le Mans car motorsports Museum, Normandy landing beaches, Mt St Michel, pink cliffs of Perros Guirec, historical Theme Park of Puy du Fou, Castle of Chambord, fishing harbour of Concarneau. Loire Valley castles.

History and traditions are the key words for this tour.

History, traditions and legends merge to charm you with each of your stops. Alternately, you will succumb to the enchanting atmosphere of the moors of Brittany and the Normandy hedgerows. Enjoy a glass of cider, and some creamy Camembert cheese sitting facing the harbor, watching the old riggings. Then you will cross the Road of Freedom in Ste Mere Eglise and you will walk in the footsteps of the liberators at Omaha Beach.

You will be amazed at the sight of Mt St Michel, a Unesco World Heritage site before diving into the history of France at the Puy du Fou Theme Park, awarded World's best Entertainment park in 2012.

We will visit several chateaux of kings of France on the banks of the Loire valley. An excellent opportunity to sip some sparkling Vouvray or red Chinon wines and bring back with you a little of the French soul.
